

Please do not displaced K-Love radio station with an LPFM boradcaster.  
K-Love is a wholesome family radio station that offers the public a  
choice to listen to loving and God-honoring music version all the  
violent and less wholesome music elsewhere. This would effect thousands of people  
who have chosen to listen to Christian music on  
K-Love and effect many future changed lives. Lives are changed by God through  
K-Love. Don't let such a GREAT radio station go off the  
air PLEASE!
